Subject: JANIS 76

1. The JANIS study due 1 November 1944 will include East China Coast (23° to 36°N and 112° to 123°E).
2. It is proposed that the meeting of research personnel be dispensed with, and instructions to contributors be dispatched from this office.
3. Prior to issuance of instructions to contributors it is desired to compile a list of publications and other research material which would be of assistance to research personnel.
4. It is requested that prior to 20 August 1944 this Board be furnished a list of publications and material available to research personnel of other agencies contributing to this JANIS.
5. A later JANIS study will be the South China Coast and Hainan. If a saving of effort will be effected by preparing reference list on both areas at one time, this procedure may be followed.
